

BRIONES MONDAY NIGHT

3D

April 8th* to August 12th, 2024

Briones Archers Inc.

Briones Regional Park - Bear Creek Road Entrance 1611 Bear Creek Road Lafayette CA

16 - 3D animal targets featuring Rinehart & Wildcrete African Animals!

New course every Monday

1 arrow per target

Awards for: Compound and Traditional shooters

Start any time between 3:00 and 6:00pm

Compound stakes & Traditional stakes, all at unmarked distances.

Range finders allowed.

This is your best opportunity to practice for hunting season. Sharpen your range estimation as well as shooting skills. We set up 16 3D animals every Monday in a natural setting. Shoot unmarked distances at animals without orange spots, so you have to learn where to shoot for the best score. It doesn't get more realistic than this! Come and shoot our new African animals. This year it will be more challenging than ever!

Protocols:

Continuous Rolling Start for crowd control

Pay at shoot with exact change if possible.

Shooting groups limited to 6 people.

Each Monday shoot may be canceled if it rained within 2 days before shoot. Check Briones Archers on Facebook
